

**MATERIAL PROFILE SHEET**  
**CLEAN CONSTRUCTION DEMOLITION DEBRIS**  
**PETERSEN PIT**

**CERTIFICATION** - The Site Owner or Operator named above represents and warrants that the information provided to Thelen Sand & Gravel, Inc. regarding the source, nature and quantity of fill materials deposited from the above project or source are in compliance with the definition of clean construction and demolition debris as described in the Clean Construction Fill Agreement and set forth in 415 ILCS 5/3.160. Site Owner or Operator hereby further represents and warrants that the fill materials being deposited have not been removed from a site as part of a cleanup or removal of contaminants, including, but not limited to, activities conducted under CERCLA, RCRA, LUST or other similar state or federal remediation program. Thelen Sand & Gravel, Inc. reserves the right to inspect, analyze and reject any fill material believed to be out of compliance according to the terms and conditions contained herein.
